

Wire wall mounted basket panel

The NSC wire basket panel is the modern version of the louvre panel

- Mount easily to any wall
- Stack panels against each other - across or underneath to create larger panels
- Can be used with any NSC chrome wire basket
- Size: 460 x 460mm
- Reduces potential dust collection
- Improves ability to clean behind panel and baskets
- Use in any hospital or healthcare store room, above a bench, in cupboards, behind patient's beds/chairs

Theatre • Emergency • Anaesthetic Bays • Maternity Wards • ICU • Wards

NSC have a range of chrome wire baskets which suit these wire panels
